

Harpswell Aging at Home has volunteers available to help Harpswell seniors during this coronavirus outbreak. HAH has been declared an “essential service” as we work to provide meals, groceries, and medications to our seniors.

Contact Gina Perow at the Town Office, 207-504-6794, or recreation@town.harpowell.me.us if you need assistance with:

- Getting groceries or medications delivered
- Having someone call and check in on you

Lunch to Go

We are scheduling Lunch To Go every Tuesday at the Orr’s Island School House. These are take-out pickup meals, packed in a sanitary way, that can be picked up from 12 to 1pm.

- Contact Surrey Hardcastle at 833-0092 or surreysh@comast.net to **pre-order by early Sunday evening** if you want to pick up or have food delivered on Tuesday.
- Walk-ins will be available as long as the food lasts.

Check the HAH FaceBook page and website, hah@hah.community, for additional information.

Volunteer Transportation Network — If you need a ride, or groceries or medications delivered, please register with People Plus at peopleplusmaine.org/volunteer-transportation-network.

Dedicated Shopping Hours for Seniors

Walmart: 6am-7am Tuesday - March 24th thru April 28th

Walmart To-Go is offering pickup service; however, availability is limited.
