Profiles

Attendee, Speaker and Sponsor Profiles

We can build, or individuals can build or update their own profiles.

This includes name, picture, company name, title, bio and links such as company website, social media links, etc.

For sponsor and exhibitor partners we list all pertinent information such as company name, company description, booth number, contact information, picture or promotional video, etc. and can add colored ribbons and designations to show their sponsorship levels

We can include rotating banner ads for sponsors to allow additional revenue generation
