MedFormix[®]Vue Comprehensive EHR For the Modern Practice

- Practice Management
- Electronic Health Records
 - Allergy Module
 - Accounts Payable
 - General Ledger*
 - Collections Module*

*Optional

This Complete EHR is 2014 compliant and has been certified by an ONC-ACB in accordance with the applicable certification criteria adopted by the Secretary of Health and Human Services.

This certification does not represent an endorsement by the U.S. Department of Health and Human Services.

This certified product-version may require ongoing monthly costs to support online patient service (170.314.e.1). This certified product-version may require one-time costs to establish interfaces for reporting to immunization registries, and public health agencies (170.314.f.2, 170.314.f.3). Support for integration of this certified product-version with other ONC certified systems may require additional one-time costs.

Vendor Name: E.A. Crowell & Associates, Inc. dba
 Crowell Systems Date Certified: 12/04/2014

 Additional Software Required: PopHealth, NewCropRX, Engage Patient, Excel

SPEED AND ACCURACY	<i>Many of our doctors find that they and their staff can get approximately one-third more work done each day due to the design of, and tools in, MedFormix[®]Vue.</i>
IMPROVE THE QUALITY OF CARE	<i>Having complete, legible documentation, personalized instruction sheets, and e-Rx available instantly for each patient improves care and is important for risk management. Referral letters with imbedded medical data can be generated at the touch of a button. All information is readily accessible remotely and securely.</i>
TIME MANAGEMENT	<i>MedFormix[®]Vue streamlines workflow, eliminating traditional busywork. In the Medical Module, all charts are completed by the end of the visit. Doctors can go home after seeing the last patient</i>
OPERATIONAL EXPENSES	<i>Many practices have found that MedFormix[®]VUE reduces fixed expenses. Automation streamlines many traditional office tasks, allowing you to re-evaluate how you allocate your staff. MedFormix[®]Vue eliminates any need for transcription.</i>
RETURN ON INVESTMENT (ROI)	<i>Once implemented, MedFormix[®]Vue quickly begins to pay for itself. For example, Chartscore[®], our visit level evaluation tool, ensures that you do not under code charges - a common occurrence.</i>
STAFF MANAGEMENT	<i>MedFormix[®]Vue allows you to monitor the productivity and activities of your staff. All entries are date/time stamped.</i>
VALUE	<i>MedFormix[®]Vue is reasonably priced without sacrificing quality. In initial conversations, Crowell Systems is happy to recommend different lenders that have a variety of options from which you may choose.</i>
