DESCRIPTION: This is a very attractive all-purpose Bob Lee designed Wing recurve from the original pre Head/AMF era. I am able to shoot very tight groups with this bow. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. No chips, dings or cracks. No crazing or stress lines; a few minor scratches and nicks here and there. Decals are in mint condition. The only flaw with this bow is a number of professionally filled screw holes (1 on the face, 2 on the back, and 3 on the side of the riser). These are visible from close-up (see pics). Overall, this is a really nice bow in excellent condition for its age.

Comes with a new string.
