July 15, 2018

Auxiliary Achievement Award

PHILOSOPHY—To carry out their role effectively, Auxiliary members must keep abreast of changing times and circumstances. Their existing expertise must be augmented by the continuous addition of new knowledge and experience.

The APWU Auxiliary Awards of Achievement program is designed to recognize the time and commitment made by members in continuing their service and their involvement in the Auxiliary. Points are awarded for participation in local, state and national activities which enhance effective Auxiliary service.
