

Dublin-Laurens County Habitat for Humanity would like to thank you for providing cabinets for House #40. We were able to complete the home and give the keys to the homeowners before Christmas. We are always so fortunate to always have volunteers and donors, such as you, that are always willing to step up and help our organization. Habitat does not just build structures; they build dignity, hope, opportunity, pride, communities, health, and economic independence all which make a global impact as well. There are no words for the deep gratitude we hold for your generosity and your support of our organization. Again, thank you for your commitment to Habitat.

Sincerely,

Tracy Kinney & Habitat for Humanity Board of Directors
