Baldwin**

**August 20 – 26th,2017
Log #34 Page #1**

21st: Visit to Wayne Roma, Shiloh Road, concerning questions about egress, stairs, and insulation requirements. Roma's house is progressing well.

25th; Visit to Yale & Brenda Coe, Rt. #113. Making ready for foundation. The SSWD design is complete and ready for building permit. They plan to erect a cement block foundation to live in for the winter. Seems to be workable.

Wes.
