# 3 WINS IN ONE

## AWAKENING

We've created a more intelligent water vending model for the health conscious consumer

Buzz-generating reality: **Water by Awakening™** is a triple win. We bring everything hydration to your business so there is no extra time spent by the health conscious consumer who seeks control of his water quality, driving from one location, to the next. Our consumers want good nutrition, exercise and hydration **to do more to compete**. Offer Water by Awakening at your business and gain an edge over your competition.

Offer the consumer ease of access to hit their hydration goals **WiN!**

Differentiate by offering water vending's next big thing **WiN!**

Gain cross-sell marketing to the health conscious consumer **WiN!**

You're invited to be a strategic partner!
