

APRIL 2021 NEWSLETTER

SUMMER DANCE!

Please check out our summer dance program! We have lots of fun new camps this year for ages 3-18! Princesses, Pineapples, unicorns and Rainbows, Teen Intensive...we have it all! Register easily online through your Dance Studio Pro account!

Shoes/Tights/Recital T-shirts!

All shoe/tight and T-shirt orders are due Friday April 9.

Recital

Our show will be Saturday June 12. Tickets will go on sale in May. As of right now, I am 90% sure we will have our show outdoors (under a large tent!) at SteelStacks. They have indoor dressing rooms for the girls. Symphony Hall cannot accommodate us at this time. Unless something changes, I would plan to be at SteelStacks. I most likely will

have to do multiple shows due to capacity limits. I will have more info on that in the next few weeks. ***If we are at SteelStacks, we will NOT have a dress rehearsal there. We will have all dancers come to the last week of classes at the studio in costumes, hair and make up.

Pictures!

Don't forget pictures will be taken in recital costumes the week of April 19-23. Pictures will be taken during class time. **If you child's costume has not arrived yet, it will be here on time. I am still waiting for a few shipments.** All photos will be posted online for viewing and each child will have a few poses for you to choose from. Due to Covid, we will only do individual photos this year. No groups 😊

5/10 Year Awards

If this is your child's 5th or 10th year at Studio West, they will be presented an award at the conclusion of our recital. Please email me!

ALL BALANCES MUST BE PAID BY JUNE 10! DANCERS WILL NOT BE ALLOWED TO DANCE ON STAGE UNTIL ALL BALANCES ARE PAID. JUNE IS A FULL MONTH OF TUITION IF YOU ARE PAYING MONTHLY!

BACKSTAGE MOMS

If you'd like to work backstage with our dancers, please email me!! You will not need to purchase a ticket and can watch your child perform during their dance. Please understand that many children need help backstage. You **MUST** help other children aside from your own child and stay for the entire show. Duties will include: helping dancers dress into costume, taking smaller ones to the bathroom, occupying little ones, and lining children up for their dances and bringing them to and from the stage.
