

Wine Glass Coasters

Supplies Needed:

Coordinating fabric: Select fabrics and cut into 5" squares. Each coaster requires 4 for top, 1 for bottom.

Flannel or other more absorbent fabric : cut in 5" squares. will need one for each coaster.

place flannel and fabric to be used for bottom of coaster wrong sides together. With flannel face down, place folded fabric squares in pattern of choice on top of bottom fabric that is right side up.

you may fold the fabric in half (2 1/2 x 5 inches) or fold to make a triangle.

Arrange the 4 folded squares/triangles so that they interlace with one another. folded edge in center and cut edges to outside of square. pin in place as needed,

Sew a 1/4 inch seam all around the edge. Turn the coaster out to the right side, poke corners and press.

Edge stitch around outside edge using one of your machines decorative stitches.

Insert the stem and base of the wine glass into your coaster... and enjoy.
