2015 Annual Meeting  
May 2, 2015 Minutes

In attendance: Board members Martin Bryant, Dick Smith, Melissa Stouffer, Tracy Stoner, Jonathan Hilliard and Belinda Bond. Club members present were Chan Hodges and Barry Lambert. Associate member present was Linda Stouffer.

President Martin called the meeting to order.

1. The budget was read by the Treasurer.
2. The need for an additional board member was discussed so the board would have an odd number of voting members. Chan Hodges was voted onto the board.
3. A concern for additional law enforcement patrol was expressed. The club parking lot often has occupied vehicles parked in it after hours with occupants possibly conducting nefarious activities, even before the pool was open. Belinda Bond volunteered to contact the Lee County Sherriff's Dept. about the issue.
4. The deficiency noted by the Lee County Health Dept. regarding the showers was discussed as well as possible fixes.
5. The board voted to get a new sign informing trespassers their vehicle would be towed. Belinda Bond volunteered to take action on that issue.
6. The need for new members and more revenue was discussed.
7. The meeting was adjourned.
8. The required board meeting following the annual club meeting was convened. All board members sans Chan Hodges were present. The board voted to purchase a new buoy. The board members voted on 2015 officers. All officers were re-elected back into their current office.
