

Injection Molded PP Unfilled HI Copolymer In ICP Test Panel

Photos of ICP Test Panels

Injection Molded PP Unfilled HI Copolymer In ICP Test Panel

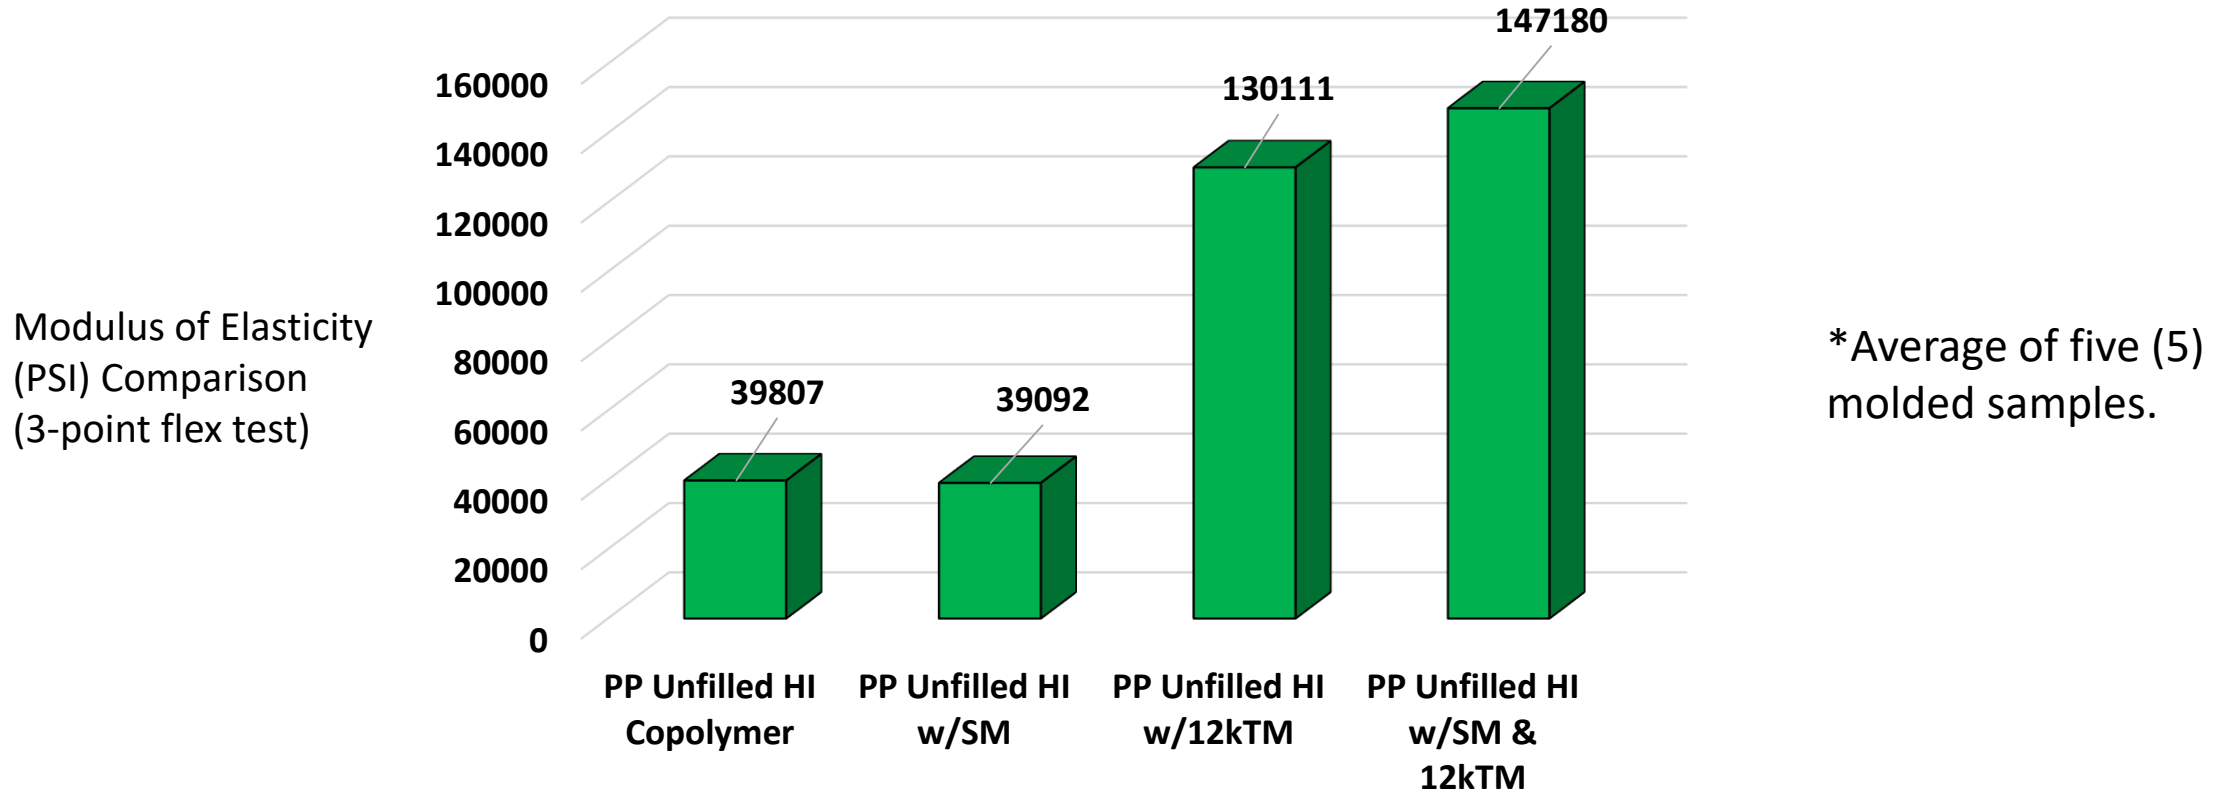

**Injection Molded ICP 5" Panels Overall Strength
3-Point Flex Testing (Ribs Down)**

NOTE: Samples molded by inserting spacers on each side to produce fully packed samples

Injection Molded PP Unfilled HI Copolymer In ICP Test Panel

**Injection Molded ICP 5" Panels Modulus of Elasticity
3-Point Testing (Ribs Down)**

NOTE: Samples molded by inserting spacers on each side to produce fully packed samples
