Stewarding Notes

By Jo Crosby (FEI level 2 Steward – Eventing, EA Steward – Dressage and Showjumping)

I recently attended a stewarding refresher, and one of the topics which created much discussion was Codes of Conduct.

The Collins Dictionary defines a Code of Conduct as an agreement on rules of behaviour for the members of a group or organization. In sport these Codes aim to provide a fair and level playing field for all athletes and ensure the reputation and integrity of the sport is maintained.

Dressage in Australia is guided by the FEI Code of Ethics and Equestrian Australia's Code of Conduct, and they make for interesting reading. These Codes don't just apply to athletes, they apply to administrators, officials, coaches, spectators, and in the case of junior sport, to parents and guardians as well.

The FEI Code of Conduct for the Welfare of the Horse is paramount, and states that "the welfare of the horse must never be subordinated to competitive or commercial influences." This Code contains clauses relating to general welfare, fitness to compete, conduct of events, humane treatment of horses and education.

The FEI Code on the Prevention of the Manipulation of Competitions seeks to maintain the integrity of equestrian sports, and the FEI Officials' Code of Conduct outlines the expected behaviours and responsibilities of all officials at FEI events. These FEI Codes are all to be found in the FEI General Regulations at:

<https://inside.fei.org/fei/regulations/general-rules>.

Equestrian Australia's Code of Conduct builds on the FEI basics and is quite extensive. It is easily found on the EA website:

<http://www.equestrian.org.au/policies>.

I encourage you all to become familiar with the FEI Code of Conduct for the Welfare of the Horse and the EA Code of Conduct at least, and aspire to uphold them at all times. Whether you are an athlete, official coach or parent, we all have a part to play in promoting a culture of respect, fairness and equity in our sport, while maintaining the highest standards of animal welfare in the treatment of our equine partners.

From The Committee

After a busy few weeks organising and running the Autumn Festival we have had the opportunity to take things a little easier of late.

A wet lead-up week and soggy grounds led us to cancel the June rally, however the opposite was the case this month with spring-like conditions enabling us to run the Prix Caprilli competition postponed from last month. Riders contested a variety of tests from Prep to Elementary with poles on the ground up to 60cm. This is always a popular addition to our calendar and was ably judged by Barb Henderson.

As well as Prix Caprilli riders were able to enjoy the sunshine riding regular dressage tests if jumping is not their forte.

The next competition at the Mount Crawford grounds will be the Charity day in September. As most charities have a colour theme we add a little fun and novelty to the day by holding a colour parade during the day. This is your opportunity to shine and be as creative as you like, as prizes are awarded to the best junior and senior. Formal wear or club uniforms are not necessary at this competition as we encourage everyone to wear the colour of the day whilst riding their

tests. This year we are supporting the Alannah and Madeline Foundation against bullying and the colour is purple so get creative over the next 2 months and show us a sea of purple to welcome in spring and of course your entries and donations will help a worthy cause.

Alannah & Madeline
Foundation

We are hosting the **Prydes Easifeed AOR series** at our October 27th competition. This is our first competitive competition after the winter break and will have Participant, Para and CUR Classes.

Triple Crown  **Final**

Our last competitive competition for the year will be on November 24th. As well as being the last competition in the 2018 Triple Crown series it is also a State Squad selection event. With three Interstate judges officiating with our local judges all riders should compete at least once under one of our visitors.

Hopefully we will get the much needed rain in the weeks to come, interspersed with some nice riding weather so that you are all ready and raring to go after the winter break.

Swabbing Levy

MCDC is committed to horse welfare and an even playing field for all. Consequently we do not endorse the use of substances that could be detrimental to our equine partners.

After much discussion about how to achieve this objective, we believe we have found a way that does not cause a financial burden for riders at one particular event and keeps the process random. Therefore, as of 1 July 2018, MCDC will be introducing a small \$1 swabbing levy for all combinations entered in any of our events. This will be effective from our next competition in July.

We envisage it will take approximately twelve months to raise the necessary funds to conduct swabbing at one of our events and when swabbing does occur, it will be conducted randomly and as per EA rules.

We hope that by sharing the load across all riders at every competition, we can keep the financial impact on each rider small, but have a positive impact on the welfare of our horses and fairness in competition. Thank you to all those who provided feedback on this initiative, such a positive response is encouraging for our sport.

Light Towers

AMAZING NEWS!!!

MCDC are now the proud owners of four 18 m light towers with lights.

Thanks must go to the club members who responded to our call for help to find transport to move these very long towers.

Clubs rely on the generosity of local businesses to help out and this was the case here where club member Emma Peach arranged for K L Brittain's Transport Services to move and deliver the towers for us.

Many thanks to K L Brittain's Transport Services for your support of our club. A final thank you to Bill for coming out with his tractor to help with the unloading!! We will now go through the Council approval process to get them installed so we will keep you posted.

President's Report

Hi everyone

We would like to welcome Wendy Stephenson as a new member of our Committee. We are most grateful to her for joining our team.

Our focus is now on the Spring Festival in October and we have two Interstate judges confirmed – Sue Cunningham and Jane Ventura. ***Horseland Mt Barker, our Elite Sponsor this year, will be offering AHDC members a 10% discount for the month of October as well as discount vouchers in the show bags for ALL competitors.*** All our Sponsors are very important and necessary for the success of this event so PLEASE SUPPORT THEM as often as you can and relay your appreciation so they may be encouraged to continue their contributions.

Entries this year will be via Nominate (we are trialling Nominate for our August and September competitions) and we hope to have it all ship-shape in time for the Spring Festival.

Our fun event for the year (held in conjunction with our September competition - the Golden Oldies - will be organised by Rosemary Castle as Robyn Stokes is overseas. Please direct any queries to Rosemary via phone: 0411 729 641 or email: rcastle900@gmail.com. This event has proved to be a fabulous day for all involved and all proceeds go to the Lindy Wright Foundation. It's a great opportunity to compete and celebrate afterwards with a drink and chat with your peers. Nibbles and Champers will be provided and there are prizes in four different categories.

There is no news as yet on our second attempt at the Synthetic Sporting Surfaces Grant but we are keeping our fingers crossed. In the meantime we will continue to save our \$\$\$ for this purpose.

Until the next edition ...

Regards

SFDC is run from Murray
Town Oval.

Murray Town is located in
the Southern Flinders
Ranges, 12km south of
Melrose.

Our jumps are here!!! Megan and Liam, the amazing team at Horizon Show Jumps, made the trek from Taradale, Victoria to hand deliver our Show Jumps. I can not recommend their customer service and quality product enough. We are now looking forward to offering Combined Training and Show Jumping events.

We are also very excited about our club's purchase of a ride-on mower to pull our arena rake! Previously Committee members have had to use their cars to pull a homemade rake to groom our arena. Now we can tow our Greystone Arena Rake with our new mower. Making the club self-sufficient has been a big focus this year so that any volunteers are able to come and do any jobs that need doing.

We are in the process of finalizing the details of the **2019 Come See Change Masters Games Equestrian** being hosted by our club on the 6th and 7th of April 2019 at our lovely grounds at Murray Town Oval. This is a very exciting event for our club and also for the Mid North. We will be offering Dressage, Show Jumping and Showing over 2 days. With catering and trade stalls, we are planning to make it a weekend for everyone, both the competitor and the spectator!

If you haven't yet joined DCSA as a member, we currently have a \$20 Membership special. This will allow those riders not yet members a concession for the second half of the membership year. This will run until the end of 2018.

NEW MEMBERSHIP CATEGORY

You will also see DCSA now has two membership categories: Volunteer Member and Non-Volunteer Member. Riders who do not have the opportunity to volunteer at dressage shows do not have to miss out on a membership with DCSA. Membership gives you cheaper dressage tests at \$20 for a test entry.

Membership will now be going through Nominate. Please look for the link on our Facebook page or go to www.nominate.com.au to join.

GROUNDS

DCSA now has a grounds sub-committee which will allow us to keep working towards a home base in a Central Hills location. We are working hard at securing a location for our September competition in this area.

NEXT COMPETITIONS

Our upcoming show in September will see the 1s and 2s in use while the 2s and 3 tests will be used in November.

November's show is going to be a bit special this year. Not only are we engaging interstate judges in conjunction with Mount Crawford, we are also holding our AOR classes.

PLUS, we are offering an Off The Track class and a Choose Your Level competition - 1s and 2s, Prep and upwards.

WEBSITE

Our website is also up and running at dressageclubofsa.weebly.com for event and club info. And of course, you can find club info on our Facebook page.

Looking forward to seeing you at our next show!

This is a fully accredited EA National Seminar approved by ESA, for EA judges and anyone else with an interest in horse sports! EA judges can use this opportunity as a seminar or workshop depending on your current level. As a G/F seminar, we will be focusing on basic principles, which cover all horse disciplines, and essential elements in correct training.

If you judge unofficially in this region, or you have children or family that compete, we recommend you attend so you can understand how the judging system works and ask questions. You may even decide to join the team behind the wheel and enjoy further judge education opportunities!

Anyone who completes the seminar (and an easy rule book quiz), shadow judges with a mentor or judge educator 10 horses at Prelim/Novice or 2 Novice classes, can be officially accredited as an EA dressage judge at G Level. More information is available - please ask - we love questions! Or contact Liz Duncan from Equestrian SA Dressage Judges Committee.

For those attending from any distance, we will assist with finding you accommodation.

Contact Susan Thornley on 0408 847 026 or
thornleyis@bigpond.com

Please contact us by **1st August** if you are thinking of attending.
We would like to have enough food and information packs for everyone to enjoy!

Why Become a Dressage Judge?

- To learn how to assess the training of the horse
- To learn what a judge is looking for and so improve your own test riding
- To help riders improve their training and therefore improve their horse and the sport
- To improve your own understanding of dressage and its place in all disciplines, and in so doing gain more enjoyment from your sport

Dressage (or training, which is the literal translation from the French) is vital for all aspects of competitive horse sport. Dressage helps the gymnastic ability of the horse, which is essential for success in all types of horse competition. In all disciplines the horse must learn to understand and obey the correct commands of the rider instantly and without resistance to rise above the rest of the field. This requires good training and good riding, *most importantly at the foundation level.*

The Mid South East Dressage Club joined with the South Eastern Dressage Association to produce an Interclub competition, fighting it out for the title of the South East. **Hygain** joined us as our major sponsors and the competition was therefore named the **HYGAIN SE SHOWDOWN**. This is the second year of competition with MSEDCC winning last year.

Scores were collected by all competitors over the four rounds of competition. The best 6% of scores from both clubs determined the Round winners. A massive congratulations to SEDA for winning this year's **HYGAIN SE SHOWDOWN!**

We also had Champions and Reserve Champions for each level. To be eligible for the Championship, you needed to ride in at least six of the eight tests available over the four months of competition. Unfortunately SEDA's Round 3 was cancelled due to extreme weather conditions and the wetness of their grounds. Those who had entered Round 3 but had only ridden at two other competitions were still eligible to be in the running for the Championship at their level. Massive congratulations go to all winners.

Thank you Hygain for supporting the 2018 SE Showdown. We appreciate your support.

Thank you to all helpers, judges, pencilers, competitors, supporters and the hard working Committees of SEDA and MSEDCC.
