Subject: Letters to Rep. Speier

Dear Representative Brownley:

Previously, I sent an email to you with a request for you to contact either Chairman Smith or Rep. Speier regarding reintroduction of legislation, HR 6395, Sec. 1745, Requirements Relating to Program and Project Management (P/PM). Since then, I discovered that Rep. Speier had introduced that provision in the NDAA for FY 2021.

Please read the attached letters to Rep. Speier, dated yesterday, and express your support.

You may be too young to know Henry Waxman. However, it is interesting to note that I had originally started this quest with him in 2007. Two letters to him and his response are also attached.

Yours truly,

A handwritten signature in blue ink that reads "Paul J. Solomon" with a long horizontal flourish extending to the right.

Paul J. Solomon
