

Howdy!

How would you like to make a meaningful difference in the lives of Calhoun County youth and promote your business at the same time? By becoming a sponsor of the 89th Annual Calhoun County Fair, happening October 14–18, 2025, you can do just that.

Each year, the Calhoun County Fair provides hands-on youth enrichment in Agriculture, Family and Consumer Sciences, and more. These young participants are the future leaders of our community. Through their involvement, they develop valuable life skills like communication, responsibility, and a strong work ethic.

The fair is proud to support the local 4-H and FFA programs, giving youth the opportunity to showcase their projects and livestock to the public. We're dedicated to encouraging education, promoting better agricultural practices, and building strong community connections.

We understand you have many worthy causes to consider, but we hope you'll view your sponsorship as an investment—both in the lives of young people and in the future of Calhoun County.

The Calhoun County Fair Association is a 501(c)(3) nonprofit organization (Tax ID #74-2293263), proudly serving the community since 1935. With your support, we can continue making the fair a meaningful, memorable event for generations to come.

If you have any questions or would like more information, please don't hesitate to call us at 361-202-5841 or email info@calhouncountyfair.com.

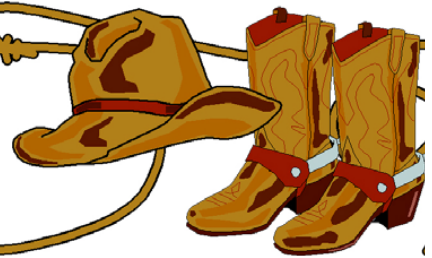

Thank you for your support,
