

A fresh solution to your culinary training

Senior Service Providers Face Two Realities [1 – The Dining Experience Matters
2 – Regulatory Compliance is Non-negotiable

Your Culinary Services team are often strained to find quality training programs and leadership time that effectively prepare them to wow your diners, cater to their unique needs and wants, and meet regulatory requirements.

**Strain no more...
bring sizzle and compliance
to your culinary services
team with Culinary4U**

A partnership with PDN (Passion for Dining & Nutrition) and EduCare, Culinary4U™ has developed a comprehensive, fresh solution that solves both realities. Developed exclusively for senior services, Culinary4U is on-demand, interactive, compliant, and affordable with support tools that enhance your overall culinary operation.
