

September 2021 Newsletter

The Bear Facts

Celebrating 64 Years of Early Childhood Education

Dear Parents,

I am excited to welcome you to the September 2021 issue of the Bear Facts. The administration, staff and I are happy to be beginning a new school year. We promise the year will be a fun and informative environment for your children to PLAY, GROW, and LEARN! This school year marks BHP CNS' 64th anniversary as a community preschool of excellence. If you love us as much as we think you do, please vote for BHP CNS in Bethesda magazine's **Best of Bethesda** contest. Details on page 4.

Communication is vital to the success of our school and your child's experience here. To stay in the know, read and save updates sent by the office and your child's teacher, join Bradley Bear's page and like our Facebook business page, join our Google Group, and follow us on Instagram. Pop into our outdoor administration office, call the office, or email any time you have a question, concern or comment. If we don't know, we can't change, help, or adapt.

Over what seemed like a very short summer, the school administration has been busy prepping for the upcoming school year. Carolyn and I are grateful to have Kim Goodstein and Ilene Jones working with us on so many of the behind the scenes tasks it takes to operate a preschool. Many of our preparations have had to do with adjusting our programming in light of the on-going COVID-19 pandemic. We will continue to adjust and make modifications as circumstances warrant. We appreciate your support and understanding as we strive to create a safe and healthy program.

BHP CNS will be utilizing the ASQ-3 screening tool for the children in our program. For families new to BHP CNS your child's questionnaire will be coming home in your child's folder. If you are unable to collect your child's folder, it will be sent home the first week of school. We ask that you complete the ASQ-3 questionnaire with your child in the coming weeks and return it to school. A full explanation of the program is on page 8.

Now that the upgrades have been completed, and the classrooms have been readied we look forward to having a wonderful school year with you and your children. Thank you for sharing your child with BHP CNS.

Liz Sobrino

BHP CNS Director

BACK TO SCHOOL ICE CREAM SOCIAL

**Saturday
September 18
2:00 to 5:00**

Mark your calendar for the **Parents' Group Ice Cream Social**. This fun event is the perfect way to kick off our school year. There will be ice cream, tattoos, playtime on the playgrounds and so many bubbles! We hope to see many of our families come out for some delicious ice cream and have fun while safely socializing.
[CLICK here to RSVP.](#)

The BNPCNS Parents' Group welcomes new and returning Bradley Bears back to school! This volunteer-run group is responsible for sponsoring and organizing social and community events, coordinating fundraising efforts, and serving as a resource to new families to BNPCNS and/or the surrounding area. All BNPCNS families are automatically members of the Parents' Group – there are no fees or commitments to join! If you would like to volunteer your time at any point, keep an eye out for emails from ParentsGroup@bhpcns.org for upcoming opportunities.

Here are some Back-to-School updates from the Parents' Group:

Events!

For All Bradley Bear Families: Back to School Ice Cream Social on **Saturday, September 18th**. Please come by anytime **between 2pm and 5pm** with your family to enjoy free treats from the famous Fred's Ice Cream Truck. In the spirit of building new friendships to kick off the school year, while also keeping everyone safe, we will host this outdoor event at the BNPCNS playgrounds. In the event of rain, we will reschedule to a new date. **Be on the lookout for opportunities to volunteer via Signup Genius!**
[Click Here to RSVP](#). We want to have plenty for everyone! Please RSVP!

*Join us at our
Meet and Greet Coffee*

For Parents: During the first week of school, the Parents' Group will provide coffee and snacks safely outdoors. This is a great opportunity to meet and mingle with new and returning Bradley Bear parents while you wait for your little ones during the abbreviated schedule.
[Find our first opportunity to help the Parents' Group here!](#)

BNPCNS Tote Bags, Lunch Bags, & Face Masks!

Throughout September, the Parents' Group will be selling tote bags, lunch bags, and children's face masks. Stop by their table to check out the merchandise!

BNPCNS Partnerships!

We also want to let you all know about partnerships we've secured to help label your child's clothes and other items with machine washable/dishwasher safe labels that don't require sewing, ironing or anything else.

LabelDaddy:

- Visit www.LabelDaddy.com/BNPCNS
- Make sure it says "you're supporting BNPCNS" on the top of your screen
- Choose your discount code upon checkout (if desired)
- LabelDaddy will donate 25% of your total spend back to BNPCNS!

BHPCNS PARENTS' GROUP CONTINUED...

Minted:

minted.

In addition to our holiday card partnership with Minted, you can now purchase other items like washable, stick-on labels, notebooks for older children and more!

- Visit the [Minted Clothing and Name Labels site](#)
- **Enter code FUNDRAISEBHPCNS** at checkout for 20% off
- Minted will track every order placed using our code and will donate 15% of each purchase back to BHPCNS!

Lastly, did you know that BHPCNS has an AmazonSmile account that gives a portion of the proceeds from every purchase back to BHPCNS?

AmazonSmile:

To take advantage of this amazing fundraising opportunity:

- go to smile.amazon.com from the web browser on your computer or mobile device.
- select Bradley Hills Presbyterian Church
- Be sure to visit smile.amazon.com when you shop for BHPCNS to receive a portion of the proceeds on every purchase made!

amazon smile
You shop. Amazon gives.

We look forward to meeting and working with all of you this year!

NEW SCHOOL YEAR MESSAGE FROM THE BHPCNS BOARD CHAIR

The BHPCNS Board extends a big welcome to all of our new and returning families! We are so excited for the 2021-2022 school year and all of the fun that lies ahead for you and your families.

The Board is the school's governing body. Comprised of BHPCNS parents, our Director, teachers, and BHPC members the board meets every other month to discuss all things related to the operations of our school. Parents are always welcome to join for the board meetings. If you would like to join us please send an email to Board@bhpcns.org to get more details.

If there are topics that you would like us to consider please let us know! The Board encourages everyone to reach out, at any point, on any topic, especially if you have ideas to improve programming, the facilities, or a concern. Parent input and feedback is vital to the success of the school. You can reach the Board directly at Board@bhpcns.org or fill out an anonymous form on the Board portion of the school website.

We hope you all have a wonderful start to the school year and we look forward to seeing many of you soon!

Missy Banashak - BHPCNS Board Chair

THE COMMUNITY AT 6601 BRADLEY BLVD.

There are many building users at BHP. The Nursery School shares the building with the Bradley Hills Presbyterian Church, The Friends Club: a social group for men with early onset Alzheimer's, The Bethesda Jewish Congregation, (BJC) and the House of Abraham. Occasionally events for these groups may require closing or a change in the Nursery School schedule.

BHP will be closed on September 16, for BJC's celebration of their high holiday.

Club**

BEST OF BETHESDA VOTING – THIS IS OUR YEAR TO WIN!

Please vote for BHP in Bethesda Magazine's Best of Bethesda Readers' Poll. To help BHP be the best of the best we will need every possible vote. Share this link with your friends, neighbors, family, and ask them to vote for BHP. The school with the most votes WINS! [Click here to VOTE.](#)

BHP TEMPORARY PROGRAMMING ADJUSTMENTS FOR COVID-19

The high level of COVID-19, particularly the Delta variant, transmission rate in Montgomery County have led us to revise, temporarily, our daily programming procedures. Beginning on September 8:

1. Each class will be assigned an outdoor classroom. The classroom will have a 10 x 15 canopy to provide shade and to define each class' area. The outdoor classrooms will have tables, handwashing stations, coat racks, and tarps for wet ground.
2. Children will be dropped off and picked up from their outdoor classrooms. Adults and children will be asked to wear masks for drop-off and pick-up, even if fully vaccinated.
3. Daily health screenings will be conducted for staff and students. At drop-off teachers will take the children's temperatures and ask a series of quick health questions. Any child with a temperature of over 100.4 or who answers yes to the questions, will be sent home until they are cleared by a medical professional to return to school.
4. Masks must be worn indoors by everyone who can successfully wear a mask over 2 years of age, per Montgomery County requirements. Depending on the outdoor activity masks may be required. If your family requests your child(ren) wear a mask both indoors and outdoors at all times, we will have your child(ren) wear a mask, except when eating and drinking. Please discuss your request with your child(ren)'s teacher.
5. Children will eat snack and lunch outdoors, weather permitting.
6. There will be a daily rotation between the 3 playgrounds, the Outdoor Discovery Center, the field and Big Blue Blocks, 2 blacktop areas for bikes, trikes, bubbles, and more.
7. Using the bathrooms and diaper changing will be indoors.
8. Each class will be allowed to use their indoor classroom on a limited basis. (While indoors, the children will be masked. Classroom windows will be open. Classroom doors will be opened and the ventilation will be running while school is in session.)
9. In the event of an all-day heavy rain, we will hold school indoors with modified drop-off and pick-up procedures.

Daily Arrival of Staff (Teachers and Administrators)

- When warranted or required, the Director or Assistant Director will conduct a daily temperature check and health questionnaire for each staff member upon the staff member's arrival. There will be a recordation of the staff member's temperature and health questionnaire responses. Responses to the health screening will be logged and kept in a private, restricted file following privacy guidelines.
- Staff will be advised to not come to campus if they do not feel well or have any indication that they may have been exposed to an individual with COVID-19.
- BHP CNS reserves the right to request that staff retake their temperature at any time while they are on campus.

Daily Arrival of Children

- Upon arriving at school all children are to have their hands washed, either at the handwashing stations or with hand sanitizer by parents/caregivers.
- Bring your child to their assigned area, NO EARLIER than 8:55 am.
- Each classroom has a clipboard where a parent or caregiver **MUST** initial that the child is attending school each day. This daily login is required by the Maryland State Department of Education, MSDE.
- Never leave a child in a classroom area without an adult present.

Daily Health Screenings for Children

Classroom teachers will check each child in the morning as the child arrives, and BHP CNS reserves the right to request that the child return home if the child appears to be ill.

When warranted or required, a daily health screening for each child may be conducted by the classroom teacher.

- The classroom teacher will take a child's temperature and ask a series of health questions upon a child's arrival. There will be a recordation of the child's temperature and health questionnaire responses. Responses to the health screening will be logged and kept in a private, restricted file following privacy guidelines.
- A child who does not pass the health screening (as determined by answering 'yes' to any questions on the health questionnaire and/or having a temperature of 100.4 degrees or higher) will not be allowed to attend school.
- If there are multiple children attending BHP CNS from the same family, all the children's temperatures will be taken at the first child's drop-off location. If one child from a family does not pass the health screening, all children from the family will need to return home, until such time as they are cleared by a medical professional to return to programming.
- Upon successful completion of the health screening, children will be admitted to their classroom.
- **Children are not to come to school if they do not feel well or have any indication that they may have been exposed to an individual with COVID-19.**
- **Contact the school office immediately if you think your child or another family member may be infected or have been exposed to an individual with COVID-19**
- **Follow all steps required for a child to return to school if they have been absent with any illness.**

Full details are in the Parents' Handbook.

WHAT YOUR CHILD SHOULD BRING TO SCHOOL EVERYDAY!

Your child will need to bring their tote bag to and from school every day to carry all their school stuff, extra clothing and masks!

Your child is to bring a water bottle to school each day. We will refill as needed.

If your child is staying for lunch, they must have a small, soft-sided lunch bag. We refrigerate all lunches.

Folders, school provided, are to go to and from school each day. They will contain important information.

For your child's comfort on the playgrounds they are to wear closed-toe shoes and socks.

PLEASE label all belongings with your child's name!

School Day Attire!

Children love to climb, swing, run, jump, skip, hop, hang upside down, and more throughout the day. Please make sure your children are appropriately dress for the playground and sitting at circle time. Children should wear underwear at all times. I know it sounds like a crazy reminder, but you'd be amazed at the things we see at nursery school.

PS: The downstairs bathrooms are for children only during the day. Adults, including teachers and staff are to use the upstairs bathrooms.

POTTY TRAINING 101 WITH SALLY NEUBERGER – 10-23 AT 7:30 PM

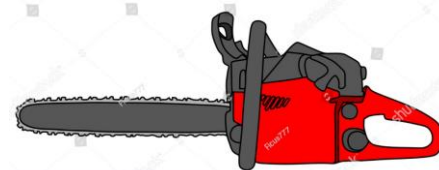

October 20

POTTY TRAINING 101: Is toilet training your child in your future? Are you struggling with toilet training your child? Are you thinking there must be a better way to reach this childhood milestone? If you've answered yes to any of the above questions, you **MUST** attend our Potty Training seminar, sponsored by the Parents' Group on Wednesday, October 20 at 7:30 pm via Zoom. Sally Neuberger, the Potty Training guru, share her expertise about all things potty, how to train, how to deal with setbacks, when to train, and more! Bring your questions but not your child to this informative evening. Details to follow.

CHAINSAW VOLUNTEERS NEEDED

Do you have a chain saw? Do you like to saw up fallen trees? We are looking for a parent(s) to saw up some trees that have been recently felled on the property. Wooden cookies make great seats for the children and they love playing with loose wooden parts in the Outdoor Discovery Center. Please contact Liz if you are able to help out!

BHPCNS SOCIAL MEDIA AND AMAZON SMILE

To be up to date on soccer classes, yard sales, and other great community news join the BHPCNS Google group. [Click here](#) to join.

Friend Bradley Bear at <http://www.facebook.com/bradley.bear2>
Like Bradley Hills Presbyterian Church Nursery School's Page!
And if you'd like to give us a review, that would be great too!

To follow-up all the fun at BHPCNS, join us on Instagram at:
bhpcnsbear
We are excited to add Instagram to our Social Media!

Do you shop on Amazon? If you do, please designate Bradley Hills Presbyterian Church as your charitable donation. It's easy: On your first visit to **AmazonSmile** (smile.amazon.com), you are prompted to select a charitable organization from our list of eligible organizations. **Sign** in to smile.amazon.com.

If this is your first child in a school setting you may not have set up a SignUp Genius account, but it's important that you do ASAP. The school and Parents' Group will be using SignUp Genius for many events, field trips, room parents, volunteers for events and more. To create an account go to: <https://www.signupgenius.com>. Click on Log In and create an account.

BETHESDA JEWISH CONGREGATION & BHPCNS FOOD DRIVE FOR MANNA FOOD

**Food
Collection**

manna
food center

BHPCNS is excited to partner with the Bethesda Jewish Congregation, BJC, to collect needed food supplies for the Manna Food Center. BHPCNS will be distributing paper bags with a list of requested supplies at the start of the school year. Please consider donating items between 9-8 and 9-16. Items needed include:

GRAINS: instant oatmeal, brown rice, whole grain pasta

PROTEIN: canned tuna, salmon, chicken in water, dry/canned beans, nut butters

FRUITS & VEGGIES: canned vegetables, canned fruit in juice, fruit cups

Large blue bins will be placed by the parking lot near the BHPC office for donations. Or drop your donations at the school admin table and we will place your donations in the bins.

At BHP CNS we believe that early intervention for a developmental delay can make a tremendous difference in a child's life. There is a wide range of normal development in children. Most developmental delays in children are not serious and with interventions children eventually catch up. Even children who do have serious delays can make big improvements when treatment begins as early as possible.

At BHP CNS we believe that early intervention for a developmental delay can make a tremendous difference in a child's life. There is a wide range of normal development in children. Most developmental delays in children are not serious and with interventions children eventually catch up. Even children who do have serious delays can make big improvements when treatment begins as early as possible.

To identify if a child may possibly have a developmental delay we do several screenings at BHP CNS, including the ASQ-3 for all our children, (For the 2021-2022 school year, only children new to BHP CNS will complete an ASQ-3. If your child attended our Spring Term, you will not need to complete an ASQ-3 questionnaire again.) vision screenings for our 3 and 4-year olds, hearing screenings for our 3 and 4-year olds, speech screenings for children identified as possibly having a speech or language delay, and occupational therapy screenings for children identified as possibly having gross, or fine motor delays. All of the screenings are performed by vetted professionals and done in a fun and age appropriate manner. Results and recommendations are shared with parents. Any recommendations for a more thorough developmental assessment will be discussed with parents in a parent/teacher/director conference. Please contact the office if you have questions, comments, or concerns.

How Developmental Delays May Present In Young Children

There are 5 main types of developmental delays in infants and young children. They include problems with:

- language or speech - articulation, expressive, and/or receptive language
- vision – ability to see properly
- movement – fine and gross motor skills, understanding boundaries, controlling one's movements
- social and emotional skills – age appropriate interactions with adults and peers
- cognitive skills - thinking and processing information

Language and/or Speech Delays in toddlers and young children are common. In fact, language and speech problems are the most common type of developmental delay. Speech refers to verbal expression, including the way words are formed. Language is a broader system of expressing and receiving information, such as being able to understand gestures.

Vision Developmental Delays can be difficult to recognize. Until about 6 months a newborn's vision is normally blurry. After 6 months a child's vision improves as the child begins to coordinate sight in both eyes. Sometimes this does not happen and vision problems such as farsightedness, near sightedness, lazy eye, may develop impacting a child's sight.

Motor Skill Developmental Delays may be related to problems with gross motor skills, such as crawling or walking, or fine motor skills, such as using fingers to grasp a spoon, hold a pencil or crayon, or more. Some children have challenges controlling their movements, they may be bouncy, or have challenges recognizing where they are in space leading to walking into things or obstacles, and/or understanding personal boundaries.

Social and Emotional Developmental Delays may be when a child experiences problems interacting with adults or other children. Other challenges include excessive tantrums, hurting themselves, being inconsolable, and forming attachments.

Cognitive Developmental Delays may present as a child not "learning" age-appropriate concepts, such as their colors or shapes, or when a child is challenged following sequential directions and developmental norms.

[Click here](#) for additional information from the Center for Disease Control on Pediatric Developmental Monitoring and Screening.

Tuition Payments:

Payments are due the first of each month, Sept.-May, and are considered late if not received by the 15th of the month. If your payment is not received by the 15th, a 10% late fee will be assessed.

Classroom and Office Email Communication:

By the end of the first week of school you should have received at least one email from your child's classroom teacher. If you have not received an email, please email your child's teacher so they may capture your email address. (Occasionally messages land in spam/trash folders.) BHPCNS staff emails almost all follow the same format. The teacher's first initial and last name at BHPCNS. Example: Lsobrino@bhpcns.org. Occasionally, a teacher may include a middle initial too.

Student Records:

Each year we undergo a rigorous inspection by the Maryland State Department of Education. To be prepared we will be doing a thorough check of all our student's records. We will notify you of any missing paperwork, immunizations, etc. We ask that you submit any missing paperwork promptly. We appreciate your help in making sure our records are compliant with state regulations.

Label all Belongings: Consider using LabelDaddy or minted. for your labels.

PLEASE label all your child's belongings, jackets, tote bags, lunch bags, anything that they bring to school should be labeled with your child's name. You would be amazed at how many children don't recognize their own belongings and how many children have the same jackets, and bags.

Early Morning with Bradley Bear, Lunch Bunch, and Stay and Play Programming,

Forms for these additional programs can be collected outside the office, or downloaded from our website, www.bhpcns.org. All three programs will begin on October 4, 2021. Teachers, parents, and the office will all be part of determining if/when a child is ready for additional programming.

School Snacks:

BHPCNS has a school wide snack schedule. A calendar of the snack schedule is posted on the bulletin board outside the office and on [our website on our calendar page](#). You may request a hard copy from the office.

Children's Lunches:

- BHPCNS provides organic 1% milk at lunch each day. Children are offered a choice of organic milk or water at lunch time. You do not need to pack a drink with your child's lunch.
- Please pack healthy, nutritious lunches for your children. BHPCNS teachers are not allowed by our licensing agency to make the children eat their "growing" foods first. If you pack a cookie and your child wants to eat that instead of their sandwich, we are technically not allowed to have them eat their sandwich first.
- Children's lunches should be foods children are familiar with and should be cut into appropriate sized servings. Sandwiches cut into quarters are much easier for little ones to eat.
- We send home any easily wrapped, uneaten lunch foods. Uneaten yogurts, apple sauce cups, etc. will be tossed out.
- Lunch is a social time. Children like to talk and share their lives at lunch. Sometimes this gets in the way of eating their whole lunch. Don't worry as your child settles into school they will eat more of their lunch.

BHPCNS ADMINISTRATIVE NOTES & UPDATES CONTINUED

Donations: Before you throw it out donate it to BHPCNS

- Large oatmeal canisters to be crafted into drums.
- We can never have too many toilet paper or paper towel rolls.
- And you wouldn't believe how much newspaper we can use each month.
- Small glass jars with lids, i.e. baby food jars.

If your family can donate any of these items, we'd be thrilled to collect them from you at the admin table.

Parent's Bulletin Boards:

Across from the office is the BHPCNS' bulletin board. This space is updated regularly with our school monthly calendar, children's birthdays, and flyers about school events.

Another bulletin board by the bathrooms is used to share flyers about community programs, parenting events, sports programs, etc. that may be of interest to families. Please check these board occasionally when we return to indoor programming.

BHPCNS Open Door Policy:

If at any time you have a concern or praise for something that is happening at BHPCNS, please stop by the office to share your thoughts. Without your input we don't know where we need to improve or what we are doing correctly. We value all input😊

SEPTEMBER BIRTHDAYS!!!!

Luke Baker

When sending in birthday treats, please send in **small** cupcakes, mini muffins, fruit kabobs, etc., keeping classroom food allergies in mind. We share birthday treats at snack time! There is a snack ingredient form outside the office and on our website. Please complete the allergen form or send in a list of ingredients so we can be aware of any possible allergic complications. If you have any questions, please reach out to your child's teacher or the office.

ALERT MONTGOMERY

Montgomery County has an Alert system that sends you texts or emails in the event of an emergency. You can customize the system to send alerts only about items that interest you. I strongly recommend signing up for this alert system to receive messages about Montgomery County Public Schools, MCPS, and school closings. BHPCNS follows MCPS with regard to delayed openings, and school closings.

To register to have alert messages emailed or texted to you go to:

<https://member.everbridge.net/index/1332612387832009#/login> to set up your account.

BHPCNS SPECIAL PROGRAMMING

Mrs. Goodstein's American Sign Language Update:

Welcome back to school! For the first time ever BHPCNS will be teaching American Sign Language (ASL) to all of our classes. I am very excited to share this beautiful and expressive language with your children. ASL improves fine motor skills, strengthens hand-to-eye coordination, and builds confidence. It also enhances cognitive processes which lead to higher abstract and creative thinking. And, it is so much fun!

This month we will be warming up our little fingers with many familiar songs that include finger play: "Open Shut Them," "The Itsy Bitsy Spider," and "Twinkle Twinkle Little Star." We will learn how to sign many greetings including: "Hello, it's nice to meet you; my name is; how are you?; (and the many the responses to this question), see you later; and goodbye." We will also begin learning one another's name in ASL as well as learning to sign and sing our "Hello Song."

Ms. Casey's shares her Music Plans!

It's a brave new world! And, I can't think of anyone I'd rather explore it with than our resilient and vivacious kids. The children inform and guide us in beautiful and unexpected ways. Reimagining education with their care and development in mind stretches our imagination and helps us become better versions of ourselves. Outdoor dance parties? Yes! Singing with your entire body? Yes! Using your hands to make music? Oh yeah! We've learned a lot this past year but there are always more ways to grow. To make the most of every moment spent with your precious wee folk, this year we're upping our music game with more movement, instruments, and ASL to encourage kids to use their hands in addition to their voices. Looking forward to seeing all of your smiling eyes!

A MESSAGE FROM BRADLEY HILLS PRESBYTERIAN CHURCH

We hope you have had a restful and invigorating summer with time for family and friends. It's an exciting time to be anticipating a return to nursery school and perhaps to Church! We have some exciting opportunities for families and we'd love you to join us.

On Sunday, **September 5**, we will have the **Blessing of the Backpacks!** Families are encouraged to attend masked and in person if they are comfortable.

On Sunday, **September 12**, **Children's Church**, a worship service designed specifically for children, will begin. After the Children's Message in the sanctuary, all children ages 3 – 5th grade are invited to join Matt and two co-leaders for Children's Church in Memorial Hall. Masks and physical distancing will be required for all participants as we encounter God's word together and respond with prayer, thanksgiving, and creative projects. To welcome us all back, we will have bagpipes in worship on September 12!

Sunday Worship Opportunities

We are continuing to **Worship on Sundays** at 10:30, both in person and virtually.

[WATCH SERVICES LIVE CLICK HERE](#)

Families may also be interested in **Outdoor Worship** which will begin Sunday, September 19, at 8:30 am.

Adult Education

Adult Education: On Sunday mornings at 9:00 am via Zoom, join us for interesting speakers. In September, Dr. Bruce Douglass, Director, Emeritus of the Reformed Institute and Assistant Professor of Government at Georgetown University, will be our featured guest.

[Click Here to Join the Meeting Each Sunday](#)

Meeting ID: 857 6618 3170

You may also call in at (301) 715-8592

BHPCNS will recommence baptisms on Sunday, September 26. If you would like to discuss baptism of your child, please contact Pastor David Gray at david@bradleyhillchurch.org.
