

CAPABILITY STATEMENT

CORE COMPETENCIES

Fresh Start Development is a 100% woman owned, full service construction company. We have been serving the Tampa Bay and surrounding areas for over a decade. Our experienced team is committed to provide high quality work for the best price to meet and exceed the home owners, builders and architect's expectations. No job is too big or too small for our team. We can provide our customers with a full range of services: **residential and commercial building, roofing, concrete and site work.** All our work is performed with safety, integrity and efficiency.
