

I Remember

It was love at first sight.
It was everything light and bright.
It was just right
Until that night.

It was my car and I was driving.
You were sitting on my right.
It was a night like any other night.

But that rainy evening, you broke my heart.
I remember the look in your eyes
When you broke my heart.
I remember the words you used.
I remember the way it feels.
A broken heart.

It's the same old story.
It's the same old end.
No guts; no glory.
Love or lust,
You must trust,
Or, in the end,
You'll have two broken hearts
Once again.

I remember that rainy evening, you broke my heart.
I remember the look in your eyes
When you broke my heart.
I remember the words you used.
I remember the way it feels.
A broken heart.
