What Others Say

"My sterilizer came in black color. It looks nice sitting on my desk at the office. I sterilize my phone, watch and jewelry every day."

George G. San Antonio, TX

Congratulations

Portable & easy to use. The sleek, ergonomic and compact design of our Smartphone Sanitizer makes it easy to take with you, wherever you go. Put the smartphone into the sanitizer case, touch the button, disinfect it in just minutes. Easy and safe to operate. Double sterilization is achieved by strong UV and ozone sterilization, which kills 99% of germs and bacteria. Presented in a stylish box. It's an ideal gift for germaphobes and a must have gadget for anyone who cares about hygiene. Just pay shipping, handling and the sales tax.

How Can We Do This

Phone UV Sanitizer, Portable UV Light Cell Phone Sterilizer, Aromatherapy Function Disinfectant, Cell Phone Cleaners UV Light Sanitizer Box for iOS Android Smartphones, Jewelry, Watches, etc.
