Occupation: Attorney

Civic Involvement: Member, Board of Oakton Community College District 535 2013-19;
Glenview Chamber of Commerce 2014-18; ICCTA 2013-19

1. Why are you running?

I am running to continue my advocacy of dual credit. I also wish to make sure that residents in the eastern portion of the district have full access to OCC.

2. What are your qualifications?

I have attended enough seminars to receive a five year education certificate from ICCTA. Seminars covers best practices, state financing (which is grim) and innovative new college programs

3. What do you hope to accomplish during your tenure on the board?

Besides my continued advocacy of dual credit and the Skokie Campus, I wish to put my full attention to educational partnership.

One hot issue for community colleges nationwide are granting BA degrees. We do not need this since we already have so many great institutions already granting bachelor's degrees.
