JETerm Life Insurance (Form Series 1611)

DECREASES IN FACE AMOUNT

- The new face amount is no lower than the minimum face amount of \$50,000.
- The rate per \$1,000 is based on the original issue age, new face amount, and new band.
- If the original risk class is a preferred risk class in Band 4 and the new band is 1, 2, or 3, then the new risk class will be the standard risk class.

LOAN

- No loan option is available on the Level Premium Term certificate (except as required by state).

END OF LEVEL PREMIUM PERIOD

- At the end of the level premium period the insured has the choice of continuation of the certificate on an ART basis (default).
- Prior to the end of the level premium period, Royal Neighbors intends to notify insured of the option and explain the default of continuing it on an annual renewable term basis with increased premiums, unless the insured chooses otherwise prior to the end of the period.

ANNUAL RENEWABLE TERM

- After the level premium period, premiums increase annually until certificate anniversary of the insured's attained age of 95 at which time the certificate expires without value.
- If the certificate contained a rider, the rider would continue when the certificate goes to annual renewable term, or until the rider expires.

REINSTATEMENT

- This certificate may be reinstated within three years after the Grace Period has expired. The limitations under the Incontestability provision will be applicable only to statements made in the reinstatement application, unless the original contestable period has not yet expired. Upon reinstatement, the incontestability period is extended for fraud in the procurement of the certificate to the maximum extent allowable by applicable law in the state where the certificate is delivered or issued for delivery.

DEATH BENEFIT

- The death benefit of the Term Life Insurance certificate is the face amount minus any amount advanced including accrued interest for the Accelerated Living Benefit rider; any unpaid premiums during the grace period would also be deducted from the amount payable and premiums paid in advance would be added.

TERMINATION

- The Term Life Insurance certificate will terminate without value when certificate lapses, is exchanged, or is converted.

CONVERSION

- Conversions to WL or UL of equal or lesser face amount and comparable underwriting class without evidence of insurability are allowed.

TERM PERIOD OPTION	CONVERSION PERIOD
15 year	Years 3-9 or age 60 which ever comes first
20 year, 30 year	Years 3-12 or age 60 which ever comes first

- Partial conversions of a portion of the Term Insurance in force must comply with:
 - » the minimum face allowed for the UL or WL option chosen and the provisions for decreases in face amount would continue to be waived on the new certificate.
 - » If the Term Life Insurance certificate has a lien due to the Accelerated Living Benefit, the amount converted would be the face amount minus the lien.
- All riders attached to this certificate will terminate upon conversion of this certificate. The certificate owner will need to apply for and meet the eligibility requirements at the time of application, including any required underwriting for any rider to be attached to the new certificate.

For agent use only. Not to be used for consumer solicitation purposes.
