The Georgia Lions Camp was blessed to have the Golden Isles College & Career Academy come and participate in one of the camps schedule Work Weekend Activities. Thirty-six students along with faculty members completed jobs such as painting, cleaning playground area, raking debris under trees, construction of a deck at the camps Activity Building and repairing damaged wood at the tree house was also done.

These students also listened eagerly as a brief history of the camp was given. All of these students were glad to give a little bit of effort to help the camp look its best for the upcoming 2017 Camping season.

Thank you to those who arranged this work activity; Jekyll Island Lions Club President, Michael Muller and Rick Townsend of Golden Isles College & Career Academy (also a Kiwanis member in Glynn County).

Thanks to you all,

Mike Williams

Acting Director

Georgia Lions Camp Inc./ for the Blind and Visually Impaired
