

NEW JERUSALEM

ORION CIRCUMFERENCE OF EDEN

NEW HEAVEN AND EARTH

The Bible declares that Jesus Christ will return as the Conquering Lion of Judah. He is to set-up a 1000 Year Kingdom on Earth following the Battle of Armageddon. At the End of the Millennial Kingdom, the White Throne Judgment of all those that opposed Jesus as LORD YHWH along with Lucifer will be cast into the Lake of Fire for all Eternity. YHWH will then make a New Heaven and New Earth. In the Book of Revelation, this Event is described as the New Jerusalem, coming down from Heaven, as 'Heaven' where Jehovah-GOD abides. YHWH will Superimpose His Throne on the New Earth. This is the New Jerusalem. The Dimensions are described Geometrically, as a Pyramid or Square Shaped City, a Perfect Cube. Using Sacred Geometry, this New Jerusalem is a Tetrahedron. Thus the City will be both in one. One suggests that 1 one of the Celestial Gates to Heaven or Celestial Portal is in the region of Orion. Many civilizations have incorporated at least the Geometry found in Architecture, in Buildings and most Sacred Sites found at the Core of this New Jerusalem situated throughout the Core of the Middle East. The Ancient Peoples knew of this Knowledge. Incredibly, this Chart shows an Approximation of the Dimensions of the New Jerusalem. It is where one Conjectures, where the Garden of Eden was and will be again at Jesus' Return. Paradise was Lost, due to the Fall of Man in the Garden of Eden or Paradise.

PARADISE RESTORED

The Bible declares that YHWH called Abram from the Land of the Chaldeans. Chaldeans means 'Shining Ones' as in 'Light', in reference to the Fallen Angels that were worshipped as 'Gods.' Genesis 6 states that they Mixed Genetically with Humans to produce the Titans of Old. After the Flood of Noah, the Dead Giants' Spirits and became the Demons or the Jinn in Islam where we get the word 'Jennie' from. Such became the Disembodied Spirit or Demons that seek a Body to Possess, etc. These Fallen Angels and their Demon Offspring also sought the Worship of Humanity by Erecting Sacred Temples in places that are on the Orion Circumference that makes-up the Core of the Middle East. For example, if one takes Ur as a Central Fulcrum of a 'Orion' Perfect Circle, the 3 Main Centers of where Paradise was, correspond to Orion's 3-Star Belt, vertically. They are Babylon, Ur and another Unidentified Spot. Moreover, if the Ley-Lines are extended Horizontally, they match the Giza 3-Pyramid Complex. For a visual, a Hexagram is incorporated within the Orion Circle. Why? it functions as a Region of High Spiritual Energy for a Portal or Star-Gate is fashioned. Then what one Superimposed on this Middle East Region is the Earth-to-Moon Proportion.

One such Sacred Site on the Orion Circumference of the New Jerusalem is the Home of Abraham, whom Messiah would come from as a Descendant through Isaac and the Jacob, etc. Later, Abram would be put to the Test as a Type of how a Father, as in GOD the Father, was called to Sacrifice his Willing Son, as in GOD the SON, i.e., Isaac. This took place on Mount Moriah, in Jerusalem. Jerusalem is the Earthly Template for the New Jerusalem. It speaks of how YHWH sacrificed the willing Son on the Cross on Mount Calvary. This Sacred Site was and is an Extension of Mount Moriah where Solomon's Temple was to be built, as the coming 3rd Temple will be as well.

The circumference follows some noticeable geographic contour lines from Arabia, Iran, Turkey and the Levant.

NEW JERUSALEM - A STAR TETRAHEDRON?

In the Book of Revelation 21, the 'City of God', the New Jerusalem, is basically 2 intertwined 3-Dimensional Pyramids within a Square. A Star Tetrahedron incorporates a 'Square within a Square' as well. This 'Tesseract', would allow for the Holy of Holies, which is a Perfect Square to continue to be the Throne Room of the LORD as it is always a Perfect Cube. This was the case with the Tabernacle of Moses, the Temples of Solomon, Zerubbabel after the 70-Year Diaspora to Babylon, then the coming 3rd Temple that could coincide with the Rapture Event that will conclude the Church Age. The Bible states that the Throne of YHWH is a Perfect Cube that Jesus Christ as King will be Enthroned to Rule all the Universe in Righteousness and Holiness. And it will be from the New Jerusalem. The Bible states that only the Followers of the Lamb, that is, Jesus Christ may Live and Enter there. It will be Paradise Restored as it was in the Middle East.

What is Astonishing is that the Orientation or Angle of the New Jerusalem Square-Triangle (Tetrahedron) as it will appear on Earth is exactly in the same Layout Orientation or Direction on the Map of where Paradise was in the Middle East. This Triangulation comes from the following Mountains. Certain Prophetic Locations like Mt. Ararat where Noah's Ark rested is on the very arch of the circle that makes a Circumference of this Orion Overlay of what will be the New Heaven.

1. Great Pyramid 'Mountain'
2. Mount Moriah
3. Mount Sinai in Arabia.

SACRED GEOMETRY

The very Topography of certain Areas of the Earth intersect Ley-Lines that have Energies based on the Magnetic Sphere around the Earth. It is Speculated that at certain Times and Places, a Convergence of Dimensions can be Interposed. It is no Accident where the Great Pyramid of Giza was constructed or where the Tower of Babel was attempted to be Erected. Spiritually speaking, wherever you have Sacred Geometry, Circles and Hexagrams, you have a 'Door' or Portal Star-Gate to the Spiritual Realm. The Bible declares that the coming Throne of The Lamb, Jesus Christ will be situated in Jerusalem to Rule alone the Universe and with those that follow Him wherever He goes.
