

Stay Informed About Zika Virus!

Visit the following websites for up-to-date information and resources on the Zika virus from the American College of Obstetricians and Gynecologists (ACOG) and the Centers for Disease Control and Prevention (CDC).

acog.org/zika

The American College of Obstetricians and Gynecologists' main Zika virus web page that provides continuously updated information, guidance, and resources from ACOG and partner organizations

acog.org/zikatoolkit

Access all the materials included in this toolkit and additional resources, including ACOG's Zika virus webinars, slide decks, and links to the following:

- ➔ State contact list for local testing (*ACOG member access only*)
- ➔ State Zika registry contact list (*ACOG member access only*)
- ➔ U.S. Zika Pregnancy Registry

cdc.org/zika

The CDC's main Zika virus web page with information and resources for patients and health care providers

The CDC Zika Pregnancy Hotline for health care providers

Obstetrician–gynecologists can contact the CDC Zika Pregnancy Hotline at (770) 488-7100 or by email at ZikaPregnancy@cdc.gov with any concerns related to clinical management or the U.S. Zika Pregnancy Registry.
