

Franciscan Ministries Mission Statement

Inspired by the Franciscan Sisters of the Poor, we are a non-profit human service organization that addresses the unmet needs of people who are underserved, vulnerable, and overlooked. We are a presence of healing, respecting the dignity of each person through a personal approach and diverse services.

We provide:

- Affordable housing for older adults in a caring environment
- First response care to women who are victims of human trafficking and suffer with addiction
- Hair care for people in need who cannot access this basic service
- Service experiences for youth and young adults focusing on simplicity and living in community
- A garden space for a community of local and refugee gardeners
- A gathering place for meetings and celebrations, in support of our core work
