

## COMBINATION CAM LOCKS

- Access the lock by combination or with a twist of the key
- Replaces any standard cam lock to get instant keyless access
- 10,000 possible code combinations
- Retrofits into existing 3/4" wood or metal mounting holes; no need for drilling or modification
- Small profile fits most doors & drawers
- Combinations secure - code can only be changed with the proper key and correct combination
- Heavy duty die cast construction
- 100% mechanical – no batteries needed
