# 8,000 lb. Four Post Clear Floor Service/Storage Lift

**Features:**

- 98.5" Drive-Thru Clearance (XLT ONLY)
- No playing "thread the needle" with your car.  
The widest standard clearance in the industry
- 71" Under Ramp Clearance (At full weight)
- Captive Locks
- Single Point Safety Release
- Easy up — Easy down. Very user friendly
- Enclosed Column Design
- Our original design provides safety from moving parts and long-lasting great looks.
- Hidden Hydraulics
- Solid Steel "Bar Stock" Locks
- Ten jig welded, enclosed, strategically positioned lock stops
- Completely Portable
- Caster kit included – Wheel your lift freely around your garage.
- Free Standing
- 3" Hydraulic Cylinder
- 3/16" Thick Runways
- We use thicker ramps (others use 1/8") to prevent sagging and bowing
- Aircraft Quality Lifting Cables
- 14,500 lbs lifting strength per cable. A combined rating of 58,000 lbs!
- 8,000 lbs Rating
- Locks rated at a 3 to 1 safety rating. (Most Chinese are 2 to 1)
- Powder-Coated Finish
- Baked on at 450 degrees.
