RULES AND REGULATIONS

- A Kentucky Fishing License is required on Elk Lake
- You must have Life Jacket(s) on board
- Start and end time will vary depending on the time of year
- Start and end times will be posted at the guard shack
- \$20.00 entry fee per person

- Two people per boat
- All boats must have a working Live Well
- All fish must be alive for weigh-in
- 12 inch minimum for weigh-in
- All Bass will be released immediately after weigh-in
- Point System

Each boat entered in the tournament will receive 5 points for the boat plus what your boat weighs in at the weigh-in that day. Example - If you weigh-in 10 lbs. of fish for that tournament, you will receive 10 points for your fish and 5 points for your boat. $10 + 5 = 15$ total points for that tournament. Therefore, even if you have an 'off day of fishing', you will still want to weigh-in your fish for your points. The points will still add up and be included in your total points towards the prize money at the end of the year.
