

# Dufferin County Community Services

Presents

## A Focus on Mental Health— Oct. 19, 2012

An opportunity for staff of Dufferin County Community Agencies to enjoy a dramatic presentation and listen to a dynamic speaker focussing on current issues in mental health

Using theatre, dance and music, this young troupe creates a visceral experience of the impact of mental health on youth, their families and friends, and the community. They have performed for the Ontario Legislature, CAMH and several school boards in Southern Ontario.

### Angela Rolleman

Angela is a registered Social Worker with training and expertise in addiction counselling. She has experience working in social service settings including child welfare, employment counselling, crisis counselling, health care, outpatient addiction treatment and residential addiction treatment.
