

February 2018

Mr. Robert Tete
Protek Roofing

Uniondale, NY

Dear Robert,
On behalf of Carlisle SynTec, I would like to congratulate you and everyone at Protek Roofing for recently receiving Carlisle's 2018 Excellence in Single-Ply (ESP) award. One of the most prestigious awards in the commercial roofing industry, ESP was created 21 years ago to identify and reward Carlisle's most successful contractors. ESP status is given out annually to a small percentage of Carlisle's most dedicated and professionally minded applicators. Selection into this elite group is based on a company's volume and quality of Carlisle single-ply roofing systems.

It is this unyielding dedication to quality, coupled with the sheer volume of your installations that has allowed Protek Roofing to receive the ESP distinction. You are one of a select group of authorized applicators that has received this honor, solidifying your elite status within our contractor recognition program.

Carlisle is grateful for the strong partnership we share with Protek Roofing and we appreciate the hard work and dedication you have put forth, not only in 2017, but in previous years as well. Once again, I would like to congratulate you on your latest achievement and wish you the best moving forward.

Sincerely,

A handwritten signature in black ink that reads "Nick Shears".
