#### **III. Old Business**

The kick-off meeting for the Revision of the Airport Master Plan and future airport development went well. Discussion included need for a timeline and to show cause for a longer runway. We need to get letters of support to congressmen, as well as get letters of support of airport development from pilots and prospective new aircraft that would base here if it were possible. Include in such letter, "If this runway was \_\_\_\_\_ long, I would bring my plan here." Also, we need their number of operations.

#### **IV. New Business**

- A. Airport Planning Committee Report. Need to consult with Caleb on committee meeting dates as we approach the holidays. Additional discussion included the need for more hangars, fuel tanks moved, jet fuel, and GPS capable.
- B. Gary presented his Airport Manager's Report. A copy was emailed with the agenda to the Board prior to this meeting.

#### **V. Other**

- A. City Manager Chris Weiner reported that a contractor is to give an estimate on sealing the cracks in the runway. A grant request is being submitted to KDOT.
- B. Jodie Beets sent an email today, Friday, October 12, 2018, to Travis Wilson as notice of resignation from the Airport Advisory Board, stating a need to reduce her commitments. This leaves two (2) vacancies on the board. Members present

committed themselves to contact individuals that have tentative interest in serving on the board and bring such names to the next meeting.
