### President's Message

Dear Branch Members,

Happy New Year 2013! I just returned from a concert by the Long Beach Chorale (December 16) of works by Telemann, Graupner and an inspired reading of Bach's Magnificat, featuring our members Sarah Sandvig (in the chorus) and Adriana Manfredi (as a soloist). I look forward to the group's performance of Carmina Burana in March. The January 5 General Meeting should be quite an event, with a program of opera and collaborative piano, the term collaborative piano having been coined by Samuel Sanders of the Juilliard School. Kimiyo Takeya, our program director, has requested an RSVP for this General Meeting only, to make sure visitors can be accommodated. There will be food and snacks, so please pitch in, as culinary contributions will be appreciated. The Styles Festival is scheduled for the 19th and the application has been e mailed to all members and will appear in this newsletter. As we inch our way towards CM, let's enjoy a selection of Branch events along the way, including next month's SCJBF/Branch recital/Bach Baroque Festival. Best wishes and a Happy 200th birthday to Richard Wagner, the ultimate drama king.

Leonne Lewis

### **The January 5 General Meeting**

We will have an unprecedented event on Saturday, January 5th.

Our General Meeting will start at 3:00pm followed by a presentation/mini-recital by special guest artists Milena Kitic and Vivian Liu.

Milena Kitic is a renowned opera singer who I had the pleasure of accompanying her in Opera Pacific's production of Carmen, and a Benefit Concert with Placido Domingo. She played Suzuki in Los Angeles Opera's Madam Butterfly in November and December this year.

There will be a "Meet and Greet" afterwards with hors d'oeuvre and drinks. Please bring some finger food, sushi, vegetable sticks or dessert if possible.

Please RSVP Kimiyo by Monday December 31. [kimiyo271@aol.com](mailto:kimiyo271@aol.com).

## **Newsletter Editor Instructions**

1. Click onto firefox 2.0 browser on your computer, or download the newest version from [www.firefox.com](http://www.firefox.com), and create a new page by going under the pulldown menu "file" and clicking on "new window."

2. Go to [www.classicaledge.com](http://www.classicaledge.com) and log on and click on to the following: Log into your account. Click on "mtac-lb," then "account" then "website," "edit pages" and "newsletter" tab above. Click on the Create\* button below the tabs. Change the newsletter Name to the next month's name, such as "July Newsletter." Don't worry about the email and PDF options yet, and do NOT click "Publish Now." Once you publish a newsletter, it's difficult to alter it and resend it.

Go to the "Past Issues" on the top right of the screen and "cut and paste" the top information from last month's newsletter, changing only the necessary information such as date and newsletter editor info. Be sure to save your work constantly, by clicking on the little icon that looks like a floppy disk on the top line, about 4 icons over from the left, in the menu. If you do not see this menu, located under the Newsletter Name area, then click on the little down-arrow and it should reveal the icon menu.

You can click on the various icons to figure out each one.

I recommend that you do a "tester" newsletter to get familiar with how this program functions.

Some tips with formatting:

You can move your browser slowly over each icon and the title of each icon should appear.

The little line divider that I use between sections of the newsletter is located next to the smiley face on the right side of the icon menu.

One of the most difficult things about formatting the newsletter is that each paragraph must be moved by the up/down arrow on the right side, and you may not be able to see the entire paragraph at once because of the small screen. You will have to move the slider on the right to view the other parts that you cannot see. You may be able to open up this space with the little icon that looks like a computer screen (maximize the editor size.)

Importing photos: Click on the little square that has a mountain and sun on it,

the middle-right of the icons (insert/edit image.) (Click on edit size if you wish to edit the photo size.) Click on the red "upload" button, wait a second, and then click on "ok." The photo should now appear in your newsletter. You can center the photo by clicking on the paragraph formatting icons.

Be sure to save your work frequently by clicking on the disk icon!

When you are ready to send out the newsetter:

Click "Create." Make sure you are using the correct Newsletter Name. Select "Email only Teachers" under Email Options. For PDF Options click "Include PDF on Website and Send Link on email."

3. I was able to type in the white box to set up a new tester page that says "Tester Newsletter for MTACLB by Noreen." I didn't publish it, so you can see it when you log in and go to edit the newsletter, but not from the [www.mtaclb.com](http://www.mtaclb.com) website. You may want to set up a tester newsletter to try it out before publishing.

4. I cut and pasted the top part of the April newsletter and clicked on the photo of the little disk immediately to save it. I did find that if I tried to cut and paste too large of a section, or a section with too large of font for that paragraph, I did receive a note that I exceeded the amount of space permitted for that paragraph, and my information DID NOT save. I went back and tried to cut and paste a smaller section, saving the section immediately, and it DID work.

5. After about 8-10 minutes, I did receive a pop-up alert asking if I wanted to extend the session. I clicked "okay", and it didn't kick me off. The pop up did not come up again for a long time.
