Valentine Treasures

Valentine treasures are people
who
have often crossed your mind,
family, friends and others, too,
who in your life have shined
the warmth of love or a spark of
light
that makes you remember them;
no matter how long since you've
actually met,
each one is a luminous gem,
who gleams and glows in your
memory,
bringing special pleasures,
and that's why this Valentine
comes to you:
You're one of those sparkling
treasures!

We think of with a smile.
I am fortunate to know you,
That's why I want to say,
To a rare and special person:
Happy Valentine's Day!

TONY'S BLOG

Wow! What a New Year's eve Party we
had this year. we have been having a
party for over twenty years, but this was
the best. I know a lot of people keep
asking how long I have been doing trips.
Well, this is our 30th year. I had been
planning bus trips for a church group
since 1982, September 20, 1986 I
started a new group and ran our first bus
trip to Atlantic City. So, that was the
beginning of what is now New Beginning
Tours. The other question people ask is
how much longer will I keep going. Let
me make it clear that I will keep doing
this as long as I can. I have no plans to
retire. I love my job, the trips and most
of all, the people that travel with me.

This has been a great journey!
