About Us

Street Haven is a multi-service women’s agency that provides shelter, supported housing, addiction treatment, and training support services for high-risk vulnerable, and homeless women in Toronto. We have the distinction of establishing Canada’s first women’s shelter services and have served tens of thousands of marginalized women in its 59 year history.

100,000+

Healthy and hot meals served annually

1,500+

Safe, warm, and clean shelter beds for homeless women annually

90+

Women treated facing addiction challenges annually

100+

Women received training services in financial literacy, life skills, and employment annually

65+

women housed in supportive housing annually.

We also provide social services and housing counselling to help women find more secure affordable housing. Our essential services enable women to achieve greater independence and success.

Our Philosophy

- ✓ We believe in women's right to self-determination.
- ✓ We believe in the values of equity and diversity; in partnerships, education and learning.
- ✓ We believe in personal responsibility and accountability in social justice and advocacy
- ✓ We achieve these values by offering responsive, reflective and holistic women centered services.

Mission

We are driven to provide integrated support for women as they move forward in their own journey.

Vision

We are building an inclusive community that empowers women to grow and thrive.

Walking Home Walkathon

Street Haven's Walking Home Walkathon is a family-friendly event aimed at raising funds and awareness for homeless women in Toronto while providing them with essential support services.

How to Participate

Select one of two fun ways to participate:

Walkathon Event

Street Haven will host an organized, in person main event complete with 2.5 km or 5km signed routes, rest stops, volunteers, and snacks at the end.

Off-site Walk

We welcome off-site fundraisers who self-organize either with friends or individually, walking on a route they choose.

Benefits Of Sponsorship

- ✔ Meet your company's social impact goals and commitment.
- ✔ Increased visibility of a company's name and logo leads to increased brand recognition throughout the community.
- ✔ Sponsorship has the potential to differentiate your brand against other competitors who don't support charities.
- ✔ Meaningful access to a new audience.
