Catamaran Adventure

Transportation will be provided by your tour operator to pick you up from your hotel. You will travel approximately 60 minutes to the Quepos dock. A guide will take you to the loading platform and help you board the catamaran. You will set sail towards the horizon and cruise over sapphire hue waves. The catamaran will chart a picturesque course departing from Quepos gliding around the back of Manuel Antonio national park. Your guide will point out notable wildlife and vegetation specimens, so be sure to have your camera ready. You will pass by panoramas adorned with islands, cliffs and rock formations. You can admire aviary nesting grounds and marine wildlife. Beverages and snacks are available onboard the catamaran throughout the trip. After touring the coastline, your captain will set anchor on Bisanz beach where you can take advantage of the pit stop to snorkel at this secluded bay. You are most likely to spot parrotfish, starfish, angelfish and if you are lucky a dolphin! During your chartered course you will be able to savor a tasty barbeque lunch onboard the catamaran while admiring the lovely waterscapes. You will then head back to the dock where there will be transportation waiting to take you back to your hotel. This Manuel Antonio tour does not require previous experience.
