**Trash and Recycling Information**  
**Town Home Residents**

The townhouses do not have the same garbage service as the three condo buildings. Townhome residents are NOT to use the dumpsters that are located near the first three condo buildings. The owners of the townhouses are required to arrange for their own garbage pickup. (See the Community Information page on the Association web site - <http://www.forestgreenscondos.com/community-information.html> - for a list of vendors.) At the current time, you are limited to one 32 gallon bag or can with handles and a separate container for recyclables.

Typically pick-up for garbage and recyclable items is on Wednesday. Please have your items out at the curb by 7:00 AM. Contact the individual vendor for more detailed information and instructions.
