

# School-Based Partnerships

*Offering Speech, OT, and PT Services*

**ADVANCE THERAPY**  
occupational, physical and speech therapy for children

## Since 2005!

The Advance Therapy team has been partnering with Twin Cities schools since 2005. We are local service providers, working together to best support our schools and our clinicians.

## Diverse and Flexible Service Offerings

Advance Therapy's partnerships include more than a dozen area schools of all sizes. Whether your school has minimal, temporary, or full time needs, we are able to accommodate.
