IS HE or SHE LYING TO YOU?

Let me show you how “To Catch a Liar.” Learning to read what people say through non-verbal communication is just as important as learning to read and write. Understanding body language before people even say a word is as necessary as the air you breath. Judging your own body language will help you project a confident and convincing image of you. The workshop is critical for CEOs, Managers, Law Enforcement, Human Resources Personnel, Journalists, Insurance Company Investigators, Attorneys, Parents, Spouses, Boyfriends and Girlfriends.
