*It's beginning  
to look a lot like  
**Christmas**  
Soon the bells will start,  
And the thing that  
will make them ring  
is the carol that you sing  
Right within your heart.*

## StoneGate Downtown Takes Shape

**BEDFORD** — StoneGate Arts & Education Center is rising from the demolished remains of the former JC Penney building at the corner of 15th and J streets.

Contractor Patterson-Horth of Indianapolis has backfilled the lot, installed concrete footers in place,

and has erected decking and large steel beams for the facility.

When completed, StoneGate Center Downtown will be a three-story building housing college classes and workforce training and space for the arts.

The \$4.4 million project will be completed in 2018.
