

NCRTAC Out of Hospital Committee Meeting
 March 13, 2025
 Zoom

Members present: Del Horn, Ken Marg, Linda Vollmar, Adam Meshak, Joel Fetterer, Sheana Laszinski, Carly Butt

Chair: Dr. Michael Clark

Recorder: Michael Fraley

Call to order	Meeting was called to order by Dr. Clark
Scene Time Date	<ul style="list-style-type: none"> Reviewed scene time data provided by Michael Noted improvements in several areas Will continue to promote and will report to PI Committee
MCI Training	<ul style="list-style-type: none"> MCI and SALT triage training materials are done Michael will begin to promote to recruit classes Appreciate folks volunteering to help teach sessions Instructors will need to personalize sessions with details specific to the area
Transition of Care/ DMIST	<ul style="list-style-type: none"> RTAC Coordinators are still working on the videos
Fall referrals	<ul style="list-style-type: none"> Information will be coming from DHS EMS about the worksheet now available in WARDS Elite to refer patients to fall prevention resources. It is noted that the worksheet will not automatically send the referrals as the JotForm app does but service directors can set up a scheduled report to send them the cases
Project ideas	<ul style="list-style-type: none"> Reviewed money available The \$100 stipends for MCI courses will come from this No other projects identified
Hypothermia	<ul style="list-style-type: none"> Michael reported that the training materials about hypothermia awareness/ prevention discussed at the September meeting were created and distributed.
EMS for Children	<ul style="list-style-type: none"> EMS for Children is looking for an EMS representative for their advisory board. Preference is for a rural provider. Contact Carissa Brunner at cbrunner@childrenswi.org Will be providing each RTAC with training equipment. Sounds like it will be airway trainers and IO trainers. More details to come.
Next meeting	May 8 at the in-person meeting in Wausau
