The County Planning Commission shall recommend no Conditional Use unless said Commission shall find:

1. That the Conditional Use will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted, nor substantially diminish and impair property values within the immediate vicinity;
2. That the establishment of the Conditional Use will not impede the normal and orderly development and improvement of surrounding vacant property for uses predominant in the area;

4. That adequate measures have been or will be taken to provide sufficient off-street parking and loading space to serve the proposed use;
5. That adequate measures have been or will be taken to prevent or control offensive odors, gases, fumes, dust, noise and vibration, so that none of these will constitute a nuisance, and to control lighted signs and other lights in such a manner that no disturbance to neighboring properties will result.
