

D7 Radio Committee Meeting Oxford Fire Department February 12, 2015

*Meeting called to order at 1604 hrs by Chairman Hamilton
8 members present (Hamilton, Shea, Wilson, Maynard, Liard, Wilson, Cady, Belisto)
0 guests present:*

Secretary report: currently \$15,181.69 in Radio Committee account

Radio Status:

Southbridge Fire and link – OK, no test results
Mendon Tower – OK
Northbridge Fire and link – OK
Oxford Tower – OK

Old Business

- Communications team has a few classes left
- Chief Difronzo is hoping to incorporate Communications team into annual brush drill

New Business

- Looking for input on activation of Communications team
- No word on Mendon tree work due to weather
- Liard on Oxford power issue, DCR Legal is waiting to hear from National Grid designer weather it will be above ground or below ground.
- West Brookfield poles have been switched over
- Discussion on sending simulcast timing card from D7 orange channel at Charlton to Moto Depot for repair. Exact cost unknown at this time but should be under \$500. Also recommend testing card upon return to make sure it is repaired properly. Motion made by Wilson seconded by Maynard

Motion to adjourn: Maynard Seconded: Belsito

Adjourned: 16:29 hrs

Next Radio Committee meeting scheduled for Thursday March 12th, 2015, 4:00 pm Oxford Fire Headquarters.

Paul Shea, Secretary
