

It Makes a Difference

*“Greater love has no one than this, that someone lay down his life for his friends”
(John 15:13).*

Jesus meant for you to love others all the time, not just when they're lovable. When you love others in spite of their lack of lovability, God's Spirit shines through you.

The same love that God gives to you, He wants you to offer others. The human love Jesus is referring to all comes down to choice, your choice.

The greatest commandment of all is to love and not just pretend to love, but really love them. The Whosoever is right in front of you is the best place to start!

There is so much sadness and suffering in the world. Just a kind word, a smile, or a helping hand can change a life. You can make difference.

Ask God to help you actively love those around you.

“ Love the Lord your God with all your heart and with all your soul and with all your mind.’ This is the first and greatest commandment. And the second is like it: ‘Love your neighbor as yourself.’ All the Law and the Prophets hang on these two commandments” (Matthew 22:37-40).
