Important Message: from Dr. Karen

As you are probably aware, the State of Illinois is in a financial crisis, and payment for dental services have been put on hold. This affects any patient who has insurance through the state of Illinois.

I care about my patients, and as I have done in the past, the only payment that is required at your time of service is the deductible which is \$175.00 if it hasn't been met, and what is not covered by insurance. Your deductible does not apply to routine cleanings, exams, and x-rays.

If you would like to pay for your visit in full at time of service, you may and it's certainly appreciated. When the state starts paying again, you will receive a check, and along with that, a check for interest. Again paying in full at time of service is not required, so please do not hesitate to come for your appointments.

If you have any questions regarding your insurance please call us at 217-954-1850. We will be happy to assist you in any way.

Thank you, Karen
