

Real. Simple. Mailing.

Mailing made **easy.**

Real. Simple. Mailing.

PostBase pro DS

PostBase pro DS is more than the next generation of PostBase – it's an uncompromising vision of professional mailing for the modern mailroom. It makes even complex mailing processes as natural as touching, loading, and sitting back. And whether your mailing needs grow or shrink, the pro processes variable volumes of mail allowing it to adapt to your ever-changing needs. The PostBase pro DS is easier, more automated, and has the most secure engineering than anything that's come before. In a word, ease.

reddot design award

Master your mailroom process like a **pro**.

Stack & Go Feeder

Stack mail into the hopper and let PostBase pro do the rest. Just put your largest envelopes on the bottom.

Anti-Skew Rollers

PostBase pro has anti-skew rollers that help make sure your mail enters the machine straight.

Sealer

The PostBase pro features a built-in validation sensor which ensures each envelope is sealed for added security.

Dynamic Scale

The PostBase pro dynamic scale accurately rates your mail based on weight and shape.

Color Touch Screen

The Post Base pro has a large touchscreen display that is adjustable to 6 positions for comfortability and ease of sight.

Real. Simple. Mailing.

The Ease of One Button

One button and your PostBase is ready to go. Turn it on and let it run mixed sizes and weights of mail automatically.

EZ Tilt Touchscreen

Large color touchscreen easily adjusts to six ergonomically optimal positions allowing you to stand comfortably and still easily see the screen.

Seal Check Sensor

The PostBase pro checks every envelope flap that goes through the sealer ensuring security and confidentiality.

Differential Weighing

Place a stack of mail on the scale and send them through one at a time. PostBase pro calculates the postage for each piece.

Why pro?

Easy

The key to the pro experience is the stack-and-go feature. It allows you to simply place mail in the feeder and the pro mailing system will do the rest.

Automatic

With the push of a button your PostBase pro is ready to go. The automatic start feature lets you start running mail quickly while the anti-skew rollers automatically straightens your mail.

Secure

The PostBase pro is one of the first USPS® IMI-Compliant meters in the market. The Pro features a seal check sensor, which ensures each envelope is sealed for added security and confidentiality.

Engineering

The PostBase pro unites high-tech capabilities with a modern, award-winning design. This German engineered machine features an all new, modular design which allows maximum throughput.

Supercharge your **PostBase** with

MailOne™

Enjoy huge savings on postage costs with MailOne Commercial Base Pricing.
