Minutes from the February 11th meeting were presented with West District Commissioner, Kyle White making the motion to approve the minutes as presented with Presiding Commissioner, Kyle Carroll making the second. All in favor. Motion carried.

Presiding Commissioner, Kyle Carroll traveled to Jefferson City to testify in favor of a bill that increases State reimbursements to jails. Currently, DDRJ is the only regional jail in the State of Missouri. DDRJ has placed a sales tax issue on the April ballot that will hopefully ease up funding from the County.

The Commission would like to remind everyone that the Townships are in charge of snow removal on gravel roads.

The Commission discussed storage and office space to be located at road & bridge.

Assessor Tanya Zimmerman met with the Commission to discuss requirements that the State Tax Commission is requiring of her office. At this time DeKalb County is approximately 50% behind in valuations. 4th quarter reimbursements are being withheld until The Assessor and Commission sign the Memorandum of Understanding from The STC. Be it noted that part of the problem is that property values have increased and counties are struggling to keep up with assessments regarding the increases. Assessor Zimmerman is going to try and comply with only a 13% increase in personal property and will try to maintain a steady amount during reassessment which is every 2 years. Upon making the increase impact notices will be sent to patrons effected.

If you have an event you would like to hold at The DeKalb County Fairgrounds please contact County Clerk, Melissa Meek to ensure there are no scheduling conflicts, and that you have the correct insurance in place.

Attending today's meeting was Assessor Tanya Zimmerman.

With no further business before the County Commission, they adjourned until February 25, 2025.
