July Fun!

We're looking forward to a fun-filled month of July. The week of July 12th we'll be "camping out." Wednesday (7/14) is Pajama Day! Children are encouraged to wear their favorite pajamas to school and bring in a flashlight and sleeping bag for the day (*please don't go out and buy one—this is optional!*). If you do not want your child to play outside in his or her pajamas please send a change of clothing for the playground.

Later in the month we'll be learning about bugs and insects, and studying the lifecycle of butterflies as we watch real caterpillars turn into beautiful butterflies. Our beach and ocean life themes follow in August.

Please note we will be closed on Tuesday 8/10/2021 for a staff meeting and our new school year begins on Wednesday 8/11/2020.

Lunch & Nutrition

One of our responsibilities as an accredited child care center is to make sure that children's nutritional needs are being met while they are in our care. Our accrediting agency requires us to follow USDA nutritional guidelines. To help us meet this requirement, parents should send in milk (or another source of dairy) each day with lunch. If you do not want your child to have milk, please provide documentation (due to allergies, religious or other health reasons). If you do not send in milk, please provide water or 100% fruit juice. (All children must have a drink.) Thank you!

2021-2022 School Year Calendar

The 2021-2022 School Year Calendar is now posted on the Calendar & Newsletter page of our website. Please note we are **CLOSED on Tuesday, August 10th** for a staff meeting. The first day of the new school year and VPK is Wednesday, August 11th.

Policy Reminders/Updates

Vacation Policy - Full tuition is due each week of the school year, regardless of whether or not your child is in attendance. The only exceptions to full tuition are school "vacation weeks" (Thanksgiving, Winter & Spring break weeks) and summer. Half tuition will be due if your child is absent for an entire school "vacation week."

Drop-Off - Please bring your child to the front door for drop-off each day. **Parents may NOT enter the center at this time**, as we are trying to reduce foot traffic inside the center to help keep germs at a minimum. Thank you for your cooperation!

Medications/Sick Policy

If your child is taking medication of any kind (allergy meds, antibiotics, cough medicine, Tylenol, etc.), *please inform the office*. It is not a problem to be taking medication and attend school; however, we need to know what their symptoms are, what side effects the medicines may have, and we also need to keep track of contagious illnesses in the school. Thank your cooperation with this very important health policy.

Thanks to all our Dads who stopped by for our **Father's Day Coffee and Breakfast!**
