The Deadly Wound under Head #1 of Rev. 13 Beast is received when Pagan Rome is conquered by Heruli King Odoacer in 476 AD. Romulus the boy (last) western Roman emperor, was sent into exile.	The False Prophet of Rev 19:20 and the Little Horn of Dan 7: 8 is the succession of Popes. The 2 horned beast of Rev 13:11-18 has horns like a lamb (biblical symbol for Christ) and speaks like a dragon (biblical symbol for satan). It has the appearance of a Christian church but satan is in its heart (see Matt.15:11 & Mark 7:15). The image of the beast is the church government with its civil & political horn and its religious horn made in the likeness of the Pagan Roman Govt. It speaks through its head mouthpiece, the pope with his words and papal bulls and causes the people of the world to worship the beast (Revived Roman Empire) with seven heads and ten horns (Rev.13) and to take his symbolic mark or number (in numerology) of his name (ROMAN or LATEINOS = 666) on their right hand (work & worldly actions) or on their forehead (belief & allegiance) or face persecution to death at the hand of the kings and their armies who give their allegiance to him. Revelation 13: 11-18. As before the beast (Rome) will require the mark of Roman Catholic Sunday Worship and doctrine only. The "Venerable Day of the Sun" was first proclaimed law by Constantine in 321 AD and later at the Church Council of Laodicea (364 AD) the church outlawed resting or Judaizing on the Seventh Day Sabbath established by God. A little horn (Religious Govt. Kingdom) with eyes like a man (Papacy) comes up among the 10 horns and plucks up 3 of the 1st horns. It speaks pompous words against God, persecutes the saints of God & changes times and laws. Then the saints shall be given into his hand. Dan. 7:8-25 During the 1260 years reign of the Holy Roman Empire millions of non-Roman Catholic Christians and others were killed at the hands of the Popes by crusades, inquisitions and genocides.							
*When Alexander died the kingdom was split between his four generals. The Seleucid (North) kings and Ptolemaic (South) kings were prominent. Dan.11:1-20 Antiochus IV Epiphanes (1 Maccabees), a Seleucid king was an antichrist prophesied in Dan. 11: 21-35 who tried to destroy Judaism by destroying their scriptures, killing the high priest, Hellenizing the Jews and killing those who continued in their religion until the Maccabees revolted. Head 4 of Daniels beast (Rome) conquers and absorbs Heads 1 - 3 and receives their combined characteristics plus having the strength of iron.		John sees Daniel's 4th beast only (Pagan & Pseudo Christian Rome) which now includes Daniel's beasts 1-3 by absorption into Pagan Rome. Rev.13 beast has 7 new heads with 10 horns.		At the time of John saw the Revelation vision from Jesus Christ the 5 kings (horns) above had fallen They ruled over Rome & the Roman Empire from *538 to 1798, 1260 yrs. or 42 prophetic mos. (30 days per month at 1 day per year) and the Papacy dominated (sat upon) them until deposed in 1798.					John sees vision here (one is) then beast goes to bottomless pit		One is yet to come and rises out of the bottomless pit and will go into perdition. Rev. 17: 10-11
