La Romana, Dominican Republic

February 2-9, 2026

The Sun and Fun Golf Association Returns to Casa de Campo!

The SFGA has been bringing groups to Casa de Campo for many years and we are excited to be returning in 2026. As many of you know, Casa de Campo is spending 2025 renovating the resort's signature course - Teeth of the Dog. When we visit in 2026, we will be among the first to play the newly renovated version of this beautiful seaside course. Casa de Campo is widely considered to be the top golf resort in the Caribbean and our package offers tremendous value with all that's included - upgraded accommodations, 5 rounds of golf on Casa's three excellent courses, daily breakfast, lunch & dinner, snacks, unlimited drinks at a variety of resort restaurants and bars, airport transportation and so much more! Casa de Campo is a beautifully maintained property with gorgeous beaches, lovely pool areas, and excellent restaurants on site and at Altos de Chavon and the Marina. The resort sprawls across 7,000 acres with tropical palm trees, colorful flower gardens and sandy beaches and miles of fairways! The place is so big, they give you a four-person transportation cart when you check in so you can get around on your own. Golf at Casa de Campo is second to none, featuring three of Pete Dye's coastal gems, Teeth of the Dog, Dye Fore & the Links Course. This is a trip you won't want to miss. We typically sell out and encourage our members to register early!

1. Caddies: It is mandatory to play with a Caddie for rounds played on Teeth of the Dog and Dye Fore Golf Courses. The Caddie Fee is included, but each golfer is expected to pay a cash tip upon completion of round directly to the Caddie. We will email Caddie tipping recommendations prior to the trip.
2. We will have planned group dinners on our first (2/2/26) and last nights (2/8/26).
3. Most of the restaurants require reservations for dinner. After that first night you'll have five nights where you can dine wherever you want. So, it's a good idea to make your dinner reservations at the guest services desk, which is just around the corner from the check in reception area.
4. There are many activities available for you in the afternoons. Some of these activities include: the beach, & water sports, bike rentals, equestrian & polo, swimming pools, running trails, a shooting center, a spa treatment center and tennis. Please review the list upon arrival.

Golf Course Information:

Teeth of The Dog:

Pete Dye's signature golf course, Teeth of the Dog® has a reputation that's well deserved. Meticulously hand carved from the rugged rock and coral of the Dominican coastline, the hard-fought and challenging creation of Teeth of the Dog® is an apt description for what playing a round can be like. The course is brimming with stunning natural landscapes, historical undertones, and the chance to play your best game yet. Ranked first in the Caribbean, this golf course in paradise should be on every golfer's bucket list. Don't settle for less when you have the opportunity to play on the best.

The Links:

Another Pete Dye creation, The Links was completely overhauled in 2012 to make it every bit as challenging as the other courses at Casa de Campo. Reminiscent of traditional links courses typically found in the British Isles, these 18 holes wind through the interior of Casa de Campo and offer spectacular views of the Caribbean Sea and the Resort grounds. And even though The Links course might not be right beside the ocean, there's still plenty of opportunity to go to the beach—no less than five holes feature water hazards. Rolling hills and ocean views offer an unique and fun golf experience.

Dye Fore:

Picturesque Dye Fore, Pete Dye's latest addition to Casa de Campo golf, was completed in 2005. The golf course is known for its large elevation changes, which lead to many blind shots. The numbers are staggering: 7,740 yards in length from the back tees, seven cliff-side holes dropping 300 feet to the Chavon River below, 40 miles per hour gusting winds and breathtaking 360-degree views. Fairways are very generous, and the greens are large but many have slopes, bumps and several tiers. No. 12 and No. 15 are considered two of the finest par-3 holes around.
